

Parks and Recreation Department Select Team Fees

The City of Brenham Recreation Department looks forward to working with your select team in 2010. City Council has set a field usage fee for all select teams that will cover January – December of 2010. This fee is a minimal amount to cover maintenance, usage, and reservations.

2010 Field Maintenance Fee: \$150.00

When you would like to schedule a practice for your team, please call 337-7250, Monday – Friday from 8am – 5pm. We ask that you reserve at least 24 hours in advance of your practice time. If the field you would like to use is booked, we can help you find another field to meet your needs. At the time of your booking, we can fax or email you a field reservation form which shows that you have priority on the field per your request.

We ask that you continue to help us take care of our first class facilities.

- Discard any trash left in the dugouts or on the field after practice.
- Put up the bases.
- Turn off any lights used for practice. If lights are left on or use is abused, we will have to start charging an extra fee for light usage as many towns have already done.
- Please stay off the fields when wet. Please call the rainout line for field closures at 337-7233 after 4pm.

Payment and form must be turned in no later than January 31, 2010. Please do not hesitate to call me should you have any questions. Also, to update our records, please return the attached form with your payment to:
